Immediate Past  
President

**Frank Tabor**  
SRA Treasurer

**Connie Farrar**  
SRA Secretary.

**George Archer**  
Chaplain

Dear Potential Donor,

As you know, Hurricane Harvey brought much death and destruction to our area. Initial landfall was in Texas, but later western Louisiana caught its share of rain and damages when the hurricane came back on land near Port Arthur. Many in our FMCA family were caught in the weather with several families suffering losses of everything they own.

The mainstay of Family Motor Coach is the word family. Several of our areas from as far away as Maine have made donations to help members in our Six State area. Every bit of help is greatly appreciated but we need much more if we are going to make an appreciable dent in the losses our families suffered.

To date we know of 6 families with major losses. Two of the families returned to Port Aransas with their homes and possessions completely gone. Others have had water over the floor of their coach, and we have still not heard from many as some areas are still evacuated with people not being allowed to return.

We are asking for donations from our friends associated with the recreational vehicle industry, or from anyone wishing to help our families in need. We intend to use these funds for FMCA families that do not have the insurance coverage to replace their losses or for those families that have immediate needs to protect life and health. At the end of a designated time (*approximately six months*) any remaining funds will be donated to the Salvation Army for their relief efforts.

All funds should be by check to the **“SIX STATE RALLY ASSOCIATION”** and clearly marked **“Hurricane Relief”**. Send the checks to my address listed in the top left hand column or pass it on to any officer of our association and it will get to me.

I intend to list all donors on our website [sca-fmca.com](http://sca-fmca.com) and will also turn in the list to our FMCA Headquarters to run in our national magazine. We also will be holding raffle's and getting donations at our annual rally in Texarkana in October. Thanks for your help and donation.

Sincerely,

*Joe S Wright*
