Mineola has been identified by many monikers, such as "Gateway To The Pines" and "Lake Country", and we are that, but more than that!

We are a community of around 5000 people; small enough to know each other, large enough to offer the amenities needed for a town to prosper.

Our historical downtown is 98% occupied, by small shops offering a wide variety of unique items. A perfect opportunity for an afternoon of browsing.

The Mineola Nature preserve is the perfect place for an early morning walk or bike ride. The Mineola Museum is full of artifacts from our past. Meredith Memorial Library is a source of pride. The Historic Select Theatre is the oldest continually operating in Texas and has state of the art technology. You already know about our marvelous civic center...

Mineola ISD is top notch, classified as 3A by the University Interscholastic League. City Hall runs like a well-oiled machine, with staff and city council working together for the good of the citizens.

Welcome to our wonderful town! Enjoy your stay here and explore every nook and cranny. Look into our unique history, drive around and admire the old homes.

It is a pleasure to welcome you into our town!

Sincerely yours,

Mayor Jayne Lankford

As we are well into our 42nd year of service to our community, we reflect on the magnitude of God's Hand on Kindness Kottage. We are an entity that exists by the power of people helping people. The very idea of Kindness Kottage was born in the heart of a woman wanting to help those in need in 1983. The growth was accomplished by the uniting of other women and men who believed in this Mission. The dedication of people willing to be the hands and feet of God to serve others is our foundation and we continue to exist and grow because of people like you who want to join with us. Because of those who donate funds, food and quality items for us to resale, we can provide our Food Pantry and Utility assistance programs as well as a fabulous Christian environment to shop for low cost basic and unique items. It is a beautiful circle of people giving, volunteering and shopping that continues to keep Kindness Kottage alive. Together we serve! Thank you for being a part of our circle!
